

OUR CLIENTS

INDIVIDUALS

Given the importance of employment in our modern lives, expert employment law advice is essential. Guidance before, during and on termination can help maximise your earnings.

*Our **EXPERTISE** stems from our experience.*

////////////////////////////////////
We cover the full spectrum of employment and discrimination law:

.....
Financial Services Authority (FSA) regulatory issues

.....
Advising on new offers of employment

.....
Negotiating compromise agreements

.....
Guidance on constructive dismissal claims

.....
Strategic advice on post-termination competition

.....
Dealing with equity compensation schemes

.....
Negotiating director service agreements

.....
Advising on discrimination issues

////////////////////////////////////
Our experience acting for high net-worth individuals includes:

////////////////////////////////////
Offers of employment

.....
Guiding a senior managing director on post-termination obligations during a move between investment banks

.....
Negotiating and amending contractual documentation for high net-worth individuals in financial institutions

.....
Advising on replacement stock, guaranteed bonuses, sign-on bonuses, deferred bonuses and other incentive schemes

////////////////////////////////////
Litigation

.....
Acting for a senior analyst in a high value claim against an investment bank for failure to pay a bonus

////////////////////////////////////
.....
Negotiating a post-termination settlement for a broker in injunctive relief proceedings

.....
Acting for a senior executive in her discrimination claim for substantial six figure compensation

.....
Negotiating a very high value settlement on behalf of a director of a commodity trading company

////////////////////////////////////
FSA matters

.....
Negotiating Form C withdrawals

.....
Advising on regulatory investigations

.....
Liaising with other advisors on potential criminal charges
